Administrator's Report
March 5, 2018

Proposal to return the age groups to what they were prior to the birth year change. We have enough U15 teams to allow this. Combining the U16 and U17 Creates issues when U14 players want to play on a U16 team.

Age Group/Division Changes starting Fall 2018
Age Grpups will be based on birth year

U7- U15 Boys and Girls Play Fall and Spring
U15/U16 Combined, Girls Fall
U17/U18/U19 Combined, Girls Fall

U15/U16 Combined, Boys Spring
U17/U18/U19 Combined, Boys Spring

- U6 player may not register
- U7 may only play up one year
- U8-U14 may play up 2 years
- U15 and up may play up more than 2 years
- Players may not under any circumstances, play down. There is no trapped player rule because we have added U15 all year
- The age of the oldest player determines the team age.
- The administrator may determine the need to combine the U14 and U15 age groups during the High School Seasons if there are fewer then Five(5) U15 teams committed for the season.
