

## International Clearance Process

International Clearance **MUST** be applied for by all players that are born outside of the United States, regardless of citizenship or player's ability. GVSA can't register players with MSYSA until they have clearance.

If you receive a foreign Birth Certificate for registration please have the parents file the appropriate form for their situation found on this page

<http://www.ussoccer.com/about/federation-services/intl-clearance>.

International clearance forms and supporting documents are submitted by email to **MSYSA** at [itc@michiganyouthsoccer.org](mailto:itc@michiganyouthsoccer.org). MSYSA will pass along on to U.S. Soccer. **The player's name and DOB (date of birth) must be in the email subject line.**

Once the player receives their International Clearance, Clubs need to provide a copy of the letter to GVSA as part of their registration paperwork.
